

# THE XPX OWNERS' ACADEMY

CONVERTING THE VALUE OF YOUR BUSINESS INTO TANGIBLE WEALTH

Sponsored by the Exit Planning Exchange (XPX), the Owners' Academy gives entrepreneurs an opportunity to engage with their peers in a dynamic and rigorous dialog about creating sustainable and transferable value in their enterprise. For many, the goal is to pass the business forward to create meaningful personal wealth and fulfillment.

The Academy is founded on the premise that owners want results; they want action and the knowledge to keep their edge and ultimately achieve their goals. To create the best-possible environment, Academy events take place in a casual, owner-to-owner setting.

Held at Babson College, Owners' Academy events introduce owners to a curriculum of "best practices," which is gathered and organized by the multi-disciplinary practitioners in the Exit Planning Exchange of Boston. The Academy also offers an online knowledge center, webinars, blogs and in-person learning experiences. To learn more, visit [www.xpxglobal.com](http://www.xpxglobal.com).
